

JÓHANN VALUR SÆVARSSON

M.Sc. in Engineering Management from Technical University of Denmark

WORK EXPERIENCE

2013 AUG
2011 MAY

Marketing and Web Development / Nova

Nova is mobile operator where I started my professional career. I was a part of a team to deploy a mobile app, a new company website among other projects. Other tasks included project management, social media marketing, content management, digital design etc. The successful story of Nova is quite remarkable and I was lucky enough to be a part of it.

2011 APR
2008 JUN

Sales and Service Assistant / Nova

Nova is a mobile operator where I worked part time with school and full time during summers as a sales and service assistant.

2007
(Summerjob)

Supervisor for Children / Gustur

Gustur is a horse riding school where I worked as a supervisor for children and as an assistant instructor.

2006
2004
(Summerjob)

Tennis Trainer and Supervisor for Children / TFK

TFK is a tennis club where I got my first full time summerjob as a tennis trainer and supervisor for children.
